Tightening & Moisturizing

LibiTight Femme Gel

(Hyaluronic Acid, Chamomile Extract, Attantoin, L-Arginine, Potassium Alum)

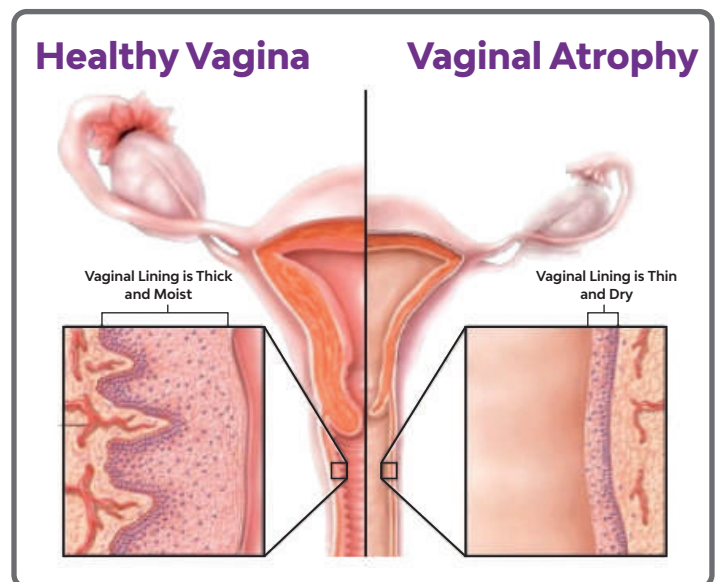

LibiTight Femme Gel is an innovative option to tackle Vaginal Dryness, improving patient comfort and overall wellness while providing a non-hormonal and easy-to-use approach to this common female issue.

Main Indications:

- ✓ Vaginal Dryness
- ✓ Vaginal Itching and Burning
- ✓ Dyspareunia (Painful Intercourse)
- ✓ Post-Menopausal Vaginal Atrophy

Key Benefits:

- **Deep Moisturization:**
Relieves vaginal dryness, itching, and discomfort.
- **Tissue Restoration:**
Restores the structure and elasticity of vaginal tissues.
- **Improved Intimacy:**
Increases arousal, sensitivity, and staying power.

Non-Hormonal Solution to Vaginal Dryness
